The Southern Agency
Insurance & Bonds

SCHEDULED FREIGHT TRANSPORT

Freight can be lost between handling stages.

Your aircraft and feeder trucks move cargo between sorting hubs. Air-carriage liability needs specialist terms distinct from warehouse property and road cargo.

RISKS WORTH DISCUSSING

01 Cargo loss or spoilage
02 Ground loading ramp accidents
03 Warehouse fire and theft

AIR CARGO CARRIER INSURANCE

Coverage worth discussing

Motor truck cargo
Declared feeder-truck cargo after covered transit losses.

Commercial property
Insured hubs and declared ground gear after covered damage.

Cyber liability
Covered tracking-system breach response or data restoration.

Inland marine
Accepted freight interests during specified transit stages.

Workers compensation
Employee injury benefits for eligible handling roles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
