

ON-DEMAND REGIONAL TRAVEL

Short-notice flights bring changing boarding duties.

You arrange on-demand flights at changing regional airfields. Passenger and boarding liability need aviation terms alongside dispatch, office and booking-data protection.

RISKS WORTH DISCUSSING

- 01 Regional flight passenger injury
- 02 Short-notice scheduling pressure errors
- 03 Booking and payment data breach

Coverage worth discussing

General liability

Covered liability at declared ground premises.

Commercial property

Replaces dispatch equipment after covered damage.

Cyber liability

Pays response costs for privacy claims.

Professional liability

Eligible claims from expressly accepted aviation-dispatch services.

Workers compensation

Employee injury benefits for accepted pilot or ground duties.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
