

MECHANICAL RIDES AND CONCESSIONS

A ride malfunction can injure guests.

You operate mechanical rides and concessions that attract large seasonal crowds, where any ride breakdown or rider injury could lead to significant claims and downtime.

RISKS WORTH DISCUSSING

- 01 Restraint or brake failure
- 02 Slip and fall incidents
- 03 Seasonal staff work injuries

Coverage worth discussing

General liability

Covered guest-injury claims from accepted park activities.

Commercial property

Insured rides or buildings after covered physical damage.

Workers compensation

Work-injury benefits for eligible seasonal employees.

Equipment breakdown

Covered internal failures of accepted ride machinery.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
