The Southern Agency
Insurance & Bonds

SEASONAL SPORTSWEAR AND ONLINE ORDERS

Peak stock can outgrow a limit.

You sell sportswear and may handle online orders, with seasonal peaks in popular sizes and brands. Match stock values to those peaks and distinguish fitting-area injuries from payment-data incidents.

RISKS WORTH DISCUSSING

01 **Covered-loss exposure at peak stock values**

02 **Shopper injuries in busy fitting areas**

03 **Breaches involving online order records**

ATHLETIC WEAR OUTLET INSURANCE

Coverage worth discussing

Commercial property
Insured seasonal apparel after covered physical damage.

General liability
Covered shopper injury from accepted fitting activities.

Cyber liability
Covered order-data breach response and privacy claims.

Workers compensation
Work-injury benefits for eligible restocking employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
