AV EQUIPMENT FACTORY INSURANCE

Coverage worth discussing

Products liability
Helps with fire or injury damage caused by your product.

Commercial property
Protects factory and electronics stock against theft.

Equipment breakdown
Covers internal failures of testing or assembly ovens.

Inland marine
Insured electronics while moving to buyers.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
