

URGENT PARTS, DELIVERY STOPS AND CARGO

A crash can damage urgent parts.

You deliver vehicle components from suppliers to repair shops. Accepted vehicle use, cargo interests and loading boundaries matter; physical parts loss differs from wrong-part or late-delivery demands.

RISKS WORTH DISCUSSING

- 01 Delivery-van crashes on dense stop routes
- 02 Physical loss of accepted parts in transit
- 03 Employee injuries while lifting heavy components

Coverage worth discussing

Commercial auto

Covered road liability for accepted delivery vehicles.

General liability

Covered injury from accepted delivery-site activities.

Motor truck cargo

Accepted parts cargo under insured transit-loss terms.

Workers compensation

Work-injury benefits for eligible courier employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
