

RETAIL PARTS INVENTORY AND INSTALLATION

A failed part can cause further damage.

You manage parts inventory, customer advice, and delivery, where a misfitted part or an injury in your shop can create claims.

RISKS WORTH DISCUSSING

- 01 Part failure and fitment allegations
- 02 Stock loss at storage sites
- 03 Aisle and counter injury claims

Coverage worth discussing

Products liability

Covered harm to others from supplied parts.

Commercial auto

Covered road liability for declared parts-delivery vehicles.

Cyber liability

Responds to privacy claims involving payment system data.

Commercial property

Helps replace insured parts after covered physical damage.

Workers compensation

Provides wage benefits for staff injuries during stocking.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
