

BANQUETS AND COMMERCIAL KITCHENS

Held food can cause illness.

You prepare meals and host gatherings with busy serving teams. Food injury, cooking fires and cooler failures need distinct liability, property and equipment terms.

RISKS WORTH DISCUSSING

- 01 Food illness allegations
- 02 Commercial cooking fire
- 03 Refrigeration equipment failure

Coverage worth discussing

Commercial property

Insured kitchens and declared stock after covered damage.

Equipment breakdown

Covered internal failures of accepted kitchen machinery.

General liability

Covered guest injury or illness from accepted food service.

Workers compensation

Work-injury benefits for eligible kitchen or serving staff.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
