The Southern Agency
Insurance & Bonds

MARINE STOCK AND SERVICE OPERATIONS

Sea trials add risk beyond the yard.

You move boat stock from yard to road and sea trials. Dealer stock, on-water liability and maritime employee duties need accepted terms.

RISKS WORTH DISCUSSING

01 **Boats damaged during land transit**

02 **Passenger injury during sea trials**

03 **Multiple boats affected by storms**

BOAT DEALER INSURANCE

Coverage worth discussing

Inland marine
Specialist marine terms for declared dealer-stock interests.

Products liability
Covered resulting harm from accepted marine rigging work.

Environmental liability
Covered fuel-release cleanup or third-party claims.

General liability
Covered third-party harm from accepted shore operations.

Workers compensation
Eligible employee injury benefits for accepted marine duties.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
