

PRESSROOMS AND PUBLICATION DEADLINES

Paper fires can shut a pressroom.

You turn publisher files into books and magazines against release dates. Presses, paper and operator safety need specific terms; rerun costs and missed deadlines are separate from covered machinery repair.

RISKS WORTH DISCUSSING

- 01 Print errors requiring a rerun
- 02 Press entanglement injuries
- 03 Fire or water damage to paper

Coverage worth discussing

Commercial property

Insured presses and paper after covered physical damage.

Products liability

Covered resulting harm from supplied printed publications.

Equipment breakdown

Covered internal failures of accepted printing presses.

Workers compensation

Work-injury benefits for eligible pressroom employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
