

MANUSCRIPTS, BOOK STOCK AND DISTRIBUTION

A manuscript can prompt a lawsuit.

You acquire manuscripts and move finished books to retailers. Accepted media-rights duties, warehoused stock and transit stages need distinct terms, with author records considered separately from physical inventory.

RISKS WORTH DISCUSSING

- 01 Defamation or privacy lawsuits
- 02 Copyright and plagiarism allegations
- 03 Warehouse inventory damage

Coverage worth discussing

Professional liability

Specialist media liability for accepted book-content claims.

Inland marine

Declared books during expressly accepted transit stages.

Commercial property

Insured book inventories after covered physical damage.

Cyber liability

Covered author-data breach response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
