

BOOK STOCK, BROWSING AND AUTHOR EVENTS

A pipe leak can ruin book stock.

You sell new or used books and may host author events. Rare-title values and actual water causes need review, with event liability, defined employee theft and customer records treated separately.

RISKS WORTH DISCUSSING

- 01 Water damage to books and shelving
- 02 Visitor injuries at author events
- 03 Employee theft of insured shop money

Coverage worth discussing

Commercial property

Insured books and fixtures after covered damage.

Crime insurance

Defined employee theft involving insured store money.

General liability

Covered visitor injury from accepted store/events activities.

Cyber liability

Covered membership/order-data response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
