The Southern Agency
Insurance & Bonds

BREWING, PACKAGING AND TOURS

Chiller failure can interrupt active brewing.

You brew, package and may welcome tour guests. Chiller repairs, batch spoilage and product claims involve different interests and coverage triggers.

RISKS WORTH DISCUSSING

01 **Fermentation and cooling equipment failure**

02 **Taproom and product injury liability**

03 **Pressurized CO2 and system hazards**

BREWERY INSURANCE

Coverage worth discussing

Commercial property
Insured tanks and declared stock after covered damage.

Equipment breakdown
Covered internal failures of accepted chillers or controls.

Products liability
Covered resulting harm from accepted packaged beer products.

General liability
Covered guest injury claims during accepted tours or visits.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
