

ONSITE BREWING AND GUEST SERVICE

Guests and production share one busy site.

You brew beer and serve it onsite. Guest access near production, alcohol service and failed chilling equipment need terms matching both the taproom and brewery.

RISKS WORTH DISCUSSING

- 01 Public access to production floors
- 02 Dram shop liquor liability exposure
- 03 Brewing and chiller equipment failure

Coverage worth discussing

Liquor liability

Covered liability from accepted taproom alcohol service.

Commercial property

Insured brewing assets or build-out after covered damage.

General liability

Covered guest injury claims at accepted taproom premises.

Equipment breakdown

Covered internal failures of accepted chillers or controls.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
