

TENT SITES, CABINS AND RV PADS

Trees and campfires can damage sites.

You host guests across outdoor sites and shared facilities. Actual recreation, swimming, fire controls and fuel or sewer interests need accepted site-specific terms.

RISKS WORTH DISCUSSING

- 01 Visitor recreation injury
- 02 Swimming and campfire hazards
- 03 Storm and falling tree damage

Coverage worth discussing

General liability

Covered guest injury claims from accepted campground activities.

Commercial property

Declared cabins and shared buildings after covered damage.

Environmental liability

Covered cleanup under accepted fuel or sewage-release terms.

Workers compensation

Work-injury benefits for eligible campground employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
