The Southern Agency
Insurance & Bonds

CARPET INSTALLATION

Carpet installation puts crews on their knees.

Heavy rolls and sharp tools enter furnished homes. Account for installer strains and damage to existing finishes.

RISKS WORTH DISCUSSING

01 Trip-and-fall on finished flooring

02 Damage to furniture and finishes

03 Installer knee and back injuries

CARPET INSTALLATION CONTRACTOR INSURANCE

Coverage worth discussing

General liability
Helps with covered third-party injuries or damage from installation work.

Inland marine
Helps replace tools or materials damaged or stolen during installation.

Business owners policy
Bundles your liability and showroom property coverage in one plan.

Workers compensation
Provides benefits for employees injured by strain or sharp tools.

Commercial auto
Covers vehicles used to transport carpet rolls to installation sites.

Umbrella liability
Adds liability limits above primary policies for serious claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
