The Southern Agency
Insurance & Bonds

WAREHOUSE ORDERS AND SHIPPED PRODUCTS

A warehouse fire can stop orders.

You fulfill catalog orders from concentrated stock and ship goods to customers. Warehouse values, ownership during shipment and product roles need acceptance, alongside the order and payment data you handle.

RISKS WORTH DISCUSSING

01 **Fire damage to fulfillment inventory**

02 **Resulting harm from shipped products**

03 **Physical loss of accepted goods in transit**

CATALOG RETAILER INSURANCE

Coverage worth discussing

Commercial property
Insured fulfillment property after covered physical damage.

Inland marine
Accepted physical-loss terms for insured inventory shipments.

Products liability
Resulting harm from accepted catalog product lines.

Cyber liability
Covered order-data breach response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
