

CHOCOLATE WHOLESALE AND DELIVERY

Failed cooling can threaten stored chocolate.

You supply chocolate to retailers and foodservice buyers. Cooling failures and transit losses need terms accepting temperature-sensitive stock and actual handling stages.

RISKS WORTH DISCUSSING

- 01 Warehouse cooling system failure
- 02 Transit collisions and theft
- 03 Loading dock worker injuries

Coverage worth discussing

Commercial property

Insured warehouse assets and stock after covered damage.

Motor truck cargo

Accepted stock interests during specified transit stages.

Equipment breakdown

Covered internal failures of accepted warehouse cooling.

Products liability

Covered resulting harm from supplied confectionery products.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
