Coverage worth discussing

Commercial auto

Covered liability under accepted passenger–fleet terms.

Workers compensation

Benefits for qualifying driver/mechanic work injuries.

Umbrella liability

Extra limits above expressly scheduled transit liabilities.

General liability

Covered injury at accepted controlled transit premises.

Commercial property

Insured garage/parts interests after covered damage.

Cyber liability

Covered fare/rider–data response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
