SELF-SERVICE MACHINES AND COIN RECEIPTS

A leaking washer can damage a shop.

You provide self-service laundry machines, sometimes without an attendant. Actual washers, boilers and collected money need distinct terms, with water damage separated from internal equipment failure and defined theft.

RISKS WORTH DISCUSSING

01 Customer falls on wet laundry floors

02 Leaking machines damaging premises

03 Theft targeting insured coin receipts

COIN-OPERATED LAUNDRIES AND DRYCLEANER INSURANCE

Coverage worth discussing

Commercial property
Insured machines and improvements after covered physical damage.

General liability
Covered customer injury from accepted laundry-premises activities.

Equipment breakdown
Covered internal failures of accepted boilers or motors.

Crime insurance
Insured coin receipts under defined theft terms.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
