FLEET SALES AND EQUIPMENT UPFITTING

Upfitting mistakes can cause harm after delivery.

You sell fleet trucks or chassis for upfitting, where damage during installation and injury after handoff involve distinct business responsibilities.

RISKS WORTH DISCUSSING

01 **Loss during vehicle upfitting stage**

02 **Configuration and installation injury allegations**

03 **Demonstration and fleet delivery accidents**

COMMERCIAL VEHICLE DEALER INSURANCE

Coverage worth discussing

Garage liability
Covered third-party harm from accepted dealership work.

Commercial property
Insured showroom tools and declared non-vehicle contents.

Workers compensation
Provides benefits for injuries during prep or fitting.

Products liability
Covered resulting harm from installed fleet components.

Commercial auto
Covered road liability for accepted dealer-owned units.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
