

HOST STORES, PARCELS AND COUNTER CASH

A counter fall can injure a guest.

Your postal counter shares space with a host store. Identify fixtures, stamps and cash by owner; customer parcels need accepted custody terms, separate from counter liability and payment-data response.

RISKS WORTH DISCUSSING

- 01 Customer falls at the postal counter
- 02 Theft of insured cash or stamps
- 03 Exposure of payment records

Coverage worth discussing

General liability

Covered visitor injury at accepted kiosk premises.

Crime insurance

Defined theft of expressly insured cash/stamps.

Commercial property

Insured counter fixtures and payment equipment.

Cyber liability

Covered payment–data response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
