

MEETINGS AND PORTABLE EVENT AV

Portable AV can be lost in transit.

You prepare meeting rooms and support event technology. AV ownership and movements, attendee circulation and registration records need different property, liability and privacy terms.

RISKS WORTH DISCUSSING

- 01 Meeting technology theft risks
- 02 Portable equipment transit damage
- 03 Attendee cabling trip hazards

Coverage worth discussing

Commercial property

Insured meeting-room assets after covered physical damage.

General liability

Covered attendee injury claims from accepted event operations.

Equipment breakdown

Covered internal failures of accepted conference machinery.

Inland marine

Declared portable AV during accepted transit stages.

Cyber liability

Covered registration-data breach response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
