The Southern Agency
Insurance & Bonds

RENTED MACHINES, DELIVERY AND RETURN CHECKS

A rented loader can overturn.

You maintain and deliver machinery for customer job sites. Rented-out use and transit need equipment terms distinct from road liability, with inspection, instruction and employee duties described accurately.

RISKS WORTH DISCUSSING

01 **Overturned or stolen rented machines**

02 **Claims over maintenance or instructions**

03 **Road collisions during equipment delivery**

CONSTRUCTION EQUIPMENT RENTAL INSURANCE

Coverage worth discussing

Inland marine
Insured machines under accepted rented-out and transit terms.

Commercial auto
Covered road liability for accepted machinery-delivery trucks.

Equipment breakdown
Covered internal failures of expressly accepted rental machines.

General liability
Covered resulting harm from accepted rental operations.

Workers compensation
Work-injury benefits for eligible mechanics and yard staff.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
