

RESIDENTIAL AND CLINICAL CARE LEVELS

Care duties change across a campus.

Your campus combines residential living with changing care levels. Accepted clinical duties and transport need review alongside premises; entrance-fee and refund commitments require distinct terms.

RISKS WORTH DISCUSSING

- 01 Falls and medication errors
- 02 Entrance-fee and contract disputes
- 03 Resident shuttle transportation accidents

Coverage worth discussing

Professional liability

Specialist liability for expressly accepted care levels.

General liability

Covered nonclinical injury claims in accepted common areas.

Commercial property

Insured campus residences after covered physical damage.

Commercial auto

Covered road liability for declared resident shuttles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
