The Southern Agency
Insurance & Bonds

EXHIBITS, LOADING DOCKS AND HALLS

Rigging can fall during setup.

You move exhibit freight, install overhead displays and direct crowds through large halls. Actual rigging duties, organizer responsibilities and staff employers need accepted terms alongside the building systems.

RISKS WORTH DISCUSSING

01 Overhead display installation injuries

02 Dock and freight handling injuries

03 Crowd congestion around exhibits

CONVENTION CENTER INSURANCE

Coverage worth discussing

General liability
Covered attendee injury from accepted center operations.

Commercial property
Insured halls and fixed systems after covered damage.

Workers compensation
Work-injury benefits for eligible dock or facility employees.

Equipment breakdown
Covered internal failures of accepted building machinery.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
