

FREIGHT TRANSFER AND STAGING

Freight can be damaged between trailers.

You transfer freight between inbound and outbound vehicles with minimal dwell time on the dock floor during operations.

RISKS WORTH DISCUSSING

- 01 Freight damage during transfer
- 02 Yard-vehicle collisions
- 03 Dock-equipment failure or delay

Coverage worth discussing

General liability

Addresses covered driver injuries and visitor claims.

Commercial auto

Covered liability for accepted yard or road vehicles.

Motor truck cargo

Declared freight in covered terminal-transfer operations.

Commercial property

Pays insured building and owned-terminal equipment damage.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
