

BESPOKE DESIGN & FITTING

Entrusted textiles need an agreed insured value.

You create custom pieces from client or owned fabrics. Review work in progress, handwork values, fittings and needles or steam presses.

RISKS WORTH DISCUSSING

- 01 Client injuries during fittings
- 02 Damage to customer-owned materials
- 03 Professional and design disputes

Coverage worth discussing

General liability

Client injury liability during studio fittings.

Commercial property

Owned textiles and insured work in progress.

Professional liability

Eligible claims from accepted design or fitting work.

Inland marine

Insured entrusted garments in custody or transit.

Workers compensation

Benefits for needle or steam-press work injuries.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
