

CUSTOM METALWORK AND IRON

Railings leave the shop and carry a load.

Stairs and railings carry your workmanship into buildings. Review shop fire safety, product liability and welding gear.

RISKS WORTH DISCUSSING

- 01 Hot work fire in shop or field
- 02 Product failure of railings and stairs
- 03 Falls during installation at height

Coverage worth discussing

General liability

Covered injury or damage from fabrication and installation.

Products liability

May help with covered injury claims if a fabricated railing or stair fails.

Inland marine

Insured portable welders and assemblies at sites or in transit.

Commercial property

May help repair your shop or replace raw stock after covered damage.

Workers compensation

Medical and wage benefits for covered shop or site injuries.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
