The Southern Agency
Insurance & Bonds

DYEHOUSE & LOOM OPERATIONS

Lint and dyes share a high-volume textile mill.

You weave and finish denim for seasonal orders. Review lint fires, loom breakdowns, dye releases and claims involving supplied fabric.

RISKS WORTH DISCUSSING

01 Cotton lint and fabric fire

02 Loom and dye range breakdown

03 Fabric quality and colorfastness liability

DENIM PRODUCTION LINE INSURANCE

Coverage worth discussing

Commercial property
May help cover your mill and stock.

Products liability
Covered injury or property damage from denim.

Equipment breakdown
May help repair damage to your machinery.

Environmental liability
May help with chemical release claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
