

## FUEL DELIVERY AND BULK STORAGE

# A tanker rollover can spill its load.

Your business delivers fuel by tanker and maintains bulk storage at your yard, facing roadway and site-transfer risks during customer deliveries.

## RISKS WORTH DISCUSSING

- 01 Tanker accidents and highway rollovers
- 02 Fuel spills during customer transfers
- 03 Product loss during transit hauling

# Coverage worth discussing

## Commercial auto

Covered road liability for declared delivery tankers.

## Motor truck cargo

Accepted fuel loads after covered transit loss.

## Environmental liability

Covered releases under accepted haul or transfer terms.

## Commercial property

Insured storage assets after covered physical damage.

Coverage is subject to policy terms and exclusions.

## Why The Southern Agency

### 01 Listen

We review your operations, coverage and past claims.

### 02 Assess

We look at hazards and ways to reduce risk.

### 03 Build

We compare carriers, premiums and audit terms.

### 04 Support

We revisit coverage as your work changes.
