The Southern Agency
Insurance & Bonds

SNIPPETS, SUMMARIES AND READER CONTENT

A snippet can prompt a claim.

You select news snippets and may publish reader contributions. Express media/IP terms must fit that content, with reader tracking, privacy and staff employment claims treated apart from editorial liability.

RISKS WORTH DISCUSSING

01 Copyright claims over snippets

02 Allegedly defamatory summaries

03 Reader-record privacy incidents

DIGITAL NEWS AGGREGATOR INSURANCE

Coverage worth discussing

Professional liability
Covered allegations under accepted media/IP terms.

Cyber liability
Covered reader-data response and accepted privacy claims.

General liability
Covered nonprofessional office physical claims.

Employment practices
Covered employment claims against your insured business.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
