SPIRITS DISTILLATION

High-proof stock can fuel a fire.

You distill spirits, hold aging stock and may welcome tour guests. Fire values, product injuries and tasting activities need terms matching the actual production and service.

RISKS WORTH DISCUSSING

01 **Fire from high-proof spirits**

02 **Aging barrel stock loss**

03 **Tasting room liquor liability**

DISTILLERY INSURANCE

Coverage worth discussing

Commercial property
Insured still houses and declared stock after covered damage.

Liquor liability
Covered liability from accepted tasting or alcohol sales.

Products liability
Covered resulting harm from accepted spirits products.

General liability
Covered visitor injuries during accepted distillery tours.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
