

OPEN DECKS, STAIRS AND CITY CLEARANCES

A low branch can strike riders.

Your open-top buses carry visitors through busy streets. Declare upper-deck use, capacity, routes and boarding duties; vehicle liability, ticket-point premises and depot property are separate interests.

RISKS WORTH DISCUSSING

- 01 Overhead strikes on open-deck routes
- 02 Passenger falls on interior stairs
- 03 Road crashes in crowded city streets

Coverage worth discussing

Commercial auto

Liability under accepted open-top passenger terms.

Commercial property

Insured depots, booths and ground equipment.

Umbrella liability

Limits above expressly scheduled passenger liability.

General liability

Covered ticket-point/non-auto premises injury.

Workers compensation

Benefits for qualifying driver/guide work injuries.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
