

TECHNICAL DRAWINGS AND REVISION CONTROL

A wrong dimension can cause rework.

You produce technical drawings and models for construction or manufacturing. Accepted drafting duties, revision control and client files need terms distinguishing professional-error claims from ordinary correction or rework costs.

RISKS WORTH DISCUSSING

- 01 Incorrect dimensions or drawing details
- 02 Use of an outdated drawing revision
- 03 Compromised client project files

Coverage worth discussing

Professional liability

Covered claims alleging accepted drafting-service errors.

Cyber liability

Covered response to qualifying project-data cyber incidents.

Business owners policy

Eligible office property and premises liability together.

Inland marine

Insured portable equipment at accepted work locations.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
