Coverage worth discussing

Commercial property

Insured storage bins and declared harvested beans.

Inland marine

Declared bean-harvest machinery after covered physical loss.

Equipment breakdown

Addresses internal failure of stationary aeration equipment.

General liability

Provides protection for general premises and operations claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
