

DIALOGUE, TRANSLATION AND TRACK SYNC

Sync errors can prompt client claims.

You record translated dialogue and align it with picture. Accepted translation duties, unreleased files and portable recording gear need distinct terms, with project rework considered separately from insured liability.

RISKS WORTH DISCUSSING

- 01 Translation or track-sync errors
- 02 Pre-release client content leaks
- 03 Recording equipment failures

Coverage worth discussing

Professional liability

Covered claims alleging accepted dialogue or sync errors.

Cyber liability

Covered client-data incident response and privacy claims.

Commercial property

Insured recording consoles after covered physical damage.

Inland marine

Declared portable recording gear during accepted movements.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
