ELECTRIC POWER DISTRIBUTION INSURANCE

Coverage worth discussing

General liability
Covered third-party harm from accepted utility duties.

Commercial property
Insured distribution assets after covered physical loss.

Cyber liability
Covered breach response involving utility records.

Commercial auto
Covered road liability for declared utility vehicles.

Equipment breakdown
Covered internal failures of accepted electrical equipment.

Umbrella liability
Extra limits above expressly covered underlying liabilities.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
