

ELEVATOR/ESCALATOR INSTALLATION

An open hoistway puts crews at risk.

Review shaft access and heavy lifts alongside staged cars, motors and controllers before commissioning.

RISKS WORTH DISCUSSING

- 01 Falls into open hoistways
- 02 Rigging and dropped-load accidents
- 03 Catastrophic completed-operations failure

Coverage worth discussing

General liability

Covered injury or property damage from installation.

Builders risk

Addresses physical loss to cars, motors, and controllers.

Professional liability

Covered claims from layout or load-calculation errors.

Workers compensation

Provides benefits for employees injured in accidents.

Inland marine

Insured hoists and installation gear against damage.

Umbrella liability

Provides additional limits for liability claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
