The Southern Agency
Insurance & Bonds

ELEVATOR SERVICE & MAINTENANCE

Passengers depend on every service visit.

Maintenance continues after a building opens. Discuss passenger claims and your actual inspection duties.

RISKS WORTH DISCUSSING

01 **Passenger entrapment and injury claims**

02 **Maintenance-contract completed-operations liability**

03 **Technician falls and crush injuries**

ELEVATOR CONTRACTOR INSURANCE

Coverage worth discussing

General liability
Helps with passenger injury or property damage claims.

Professional liability
Covered inspection or certification error claims.

Inland marine
Protects diagnostic tools against theft or damage.

Workers compensation
Provides benefits for technicians injured on the job.

Commercial auto
Addresses accident claims involving service vans.

Umbrella liability
Provides additional limits for public-injury claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
