

TENTS, STAGING AND SETUP CREWS

A loose anchor can endanger guests.

You deliver and erect tents, staging or other event equipment. Accepted erected use, weather terms and installation duties should match the actual setup, separately from transport and employee injury.

RISKS WORTH DISCUSSING

- 01 Tent or stage failure causing injury
- 02 Guest trips over cables or stakes
- 03 Setup or teardown employee injuries

Coverage worth discussing

Inland marine

Insured rental stock under accepted transit/erected-use terms.

Commercial property

Insured warehouse and stored inventory after covered damage.

Workers compensation

Work-injury benefits for eligible setup employees.

General liability

Covered guest injury from accepted rental-installation duties.

Commercial auto

Covered road liability for accepted event-delivery vehicles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
