

OUTDOOR EQUIPMENT DISTRIBUTION

Outdoor stock faces weather and theft

You manage outdoor stock and demonstration sites. Weather, transit hazards, and machinery use create significant exposures.

RISKS WORTH DISCUSSING

- 01 Machines exposed outdoors
- 02 A demonstration goes wrong
- 03 A sold machine fails

Coverage worth discussing

Commercial property

Insured outdoor stock after covered physical loss.

Inland marine

Declared machines in covered demonstrations or transit.

Products liability

Covers injury caused by equipment supplied to buyers.

General liability

Addresses injury to visitors during machine demos.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
