FARM INSURANCE

Coverage worth discussing

Commercial property
Insured barns, fences or outbuildings after covered loss.

General liability
Addresses injury or property-damage claims on premises.

Equipment breakdown
Covers internal failure of drying or cooling systems.

Environmental liability
Covered releases involving declared fuel or fertilizers.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
