

AGRICULTURAL STAFFING

Injury during assigned farm work

You recruit, place and transport crews for growers. Worker status, assigned tasks and shared employer duties affect injury and liability protection.

RISKS WORTH DISCUSSING

- 01 Injury during assigned farm work
- 02 Payroll and employment allegations
- 03 Crew transportation accidents

Coverage worth discussing

Workers compensation

Injury benefits for accepted workers and assigned duties.

General liability

Covered third-party harm from accepted staffing operations.

Employment practices

Defense of covered employment-discrimination allegations.

Commercial auto

Covered road liability for declared crew-transport vehicles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
