FARM SUPPLIES DISTRIBUTOR INSURANCE

Coverage worth discussing

Environmental liability
Covered releases at declared storage or delivery sites.

Commercial property
Declared fertilizer or feed stocks after covered loss.

Products liability
Covered crop damage from accepted farm-input products.

Commercial auto
Provides liability for seasonal delivery vehicles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
