The Southern Agency
Insurance & Bonds

REPEATED CROSSINGS AND TERMINAL LOADING

Boarding gaps can injure passengers.

You carry passengers and, where offered, their vehicles on repeated crossings. Vessels, carriage and crew need marine terms distinct from terminal premises, ticket records and accepted shore machinery.

RISKS WORTH DISCUSSING

01 Passenger boarding injuries

02 Vehicle loading and custody damage

03 Disabled vessels disrupting crossings

FERRY SERVICE INSURANCE

Coverage worth discussing

General liability
Covered third-party injury at accepted ferry terminals.

Commercial property
Insured terminal and ramp interests after covered damage.

Cyber liability
Covered ticketing-data breach response and privacy claims.

Equipment breakdown
Covered internal failures of accepted terminal machinery.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
