

PERISHABLE COLD CHAIN OPERATIONS

Freezer failure or foodborne illness

You maintain a cold chain for seafood, where refrigeration faults ruin stock and safety issues lead to liability claims.

RISKS WORTH DISCUSSING

- 01 Refrigeration and power faults
- 02 Pathogens causing consumer illness
- 03 Product withdrawal and removal costs

Coverage worth discussing

Commercial property

Covers damage to seafood facilities and inventory.

Products liability

Defends against covered foodborne illness claims.

Equipment breakdown

Covered internal failures of refrigeration machinery.

Motor truck cargo

Declared seafood loads after covered transit losses.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
