

SHOWROOM TESTS AND HEAVY DELIVERIES

A test machine can injure a shopper.

You demonstrate gym machines and may deliver or assemble them for customers. Accepted testing and setup duties, product roles and machine ownership in transit need terms suited to heavy equipment.

RISKS WORTH DISCUSSING

- 01 Injuries during showroom demonstrations
- 02 Resulting harm from sold fitness machines
- 03 Physical damage to equipment in transit

Coverage worth discussing

Products liability

Resulting harm from accepted fitness-equipment products.

Commercial property

Insured showroom machinery after covered physical damage.

Workers compensation

Work-injury benefits for eligible delivery/setup employees.

General liability

Covered injury from accepted demonstrations/setup activities.

Inland marine

Insured machines under accepted transit/staging terms.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
