OPEN DECKS, SECUREMENT AND RIGGING

A shifted load can cause a crash.

Your chains and tarps secure another owner's steel or machinery. Declare open-deck goods, handling and weather terms; road liability, damaged freight and your portable rigging are distinct interests.

RISKS WORTH DISCUSSING

01 **Loads shifting during road travel**

02 **Driver falls while tarping freight**

03 **Physical damage to exposed cargo**

FLATBED HAULER INSURANCE

Coverage worth discussing

Commercial auto
Covered road liability for accepted flatbed fleets.

Inland marine
Insured portable tarps, chains and rigging gear.

Umbrella liability
Limits above expressly scheduled hauling liability.

Motor truck cargo
Freight under accepted open-deck loss terms.

Workers compensation
Benefits for qualifying loading/tarping injuries.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
