

RETAIL NURSERY

Loss of perishable plant inventory

Customers browse living plants in your nursery yard. Plant inventory, greenhouse structures and delivery vehicles need different accepted terms.

RISKS WORTH DISCUSSING

- 01 Loss of perishable plant inventory
- 02 Greenhouse and shade structure damage
- 03 Customer injuries in the retail yard

Coverage worth discussing

Commercial property

Repairs for greenhouses or buildings after covered damage.

Equipment breakdown

Covered internal failures of ventilation machinery.

General liability

Injury claims during customer visits or off-site installations.

Commercial auto

Road-accident claims for your company delivery vehicles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
